

## Section 3 – External Auditor Report and Certificate 2019/20

In respect of **SOUTH MIMMS PARISH COUNCIL – HT0095**

### 1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2020; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

### 2 External auditor report 2019/20

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- Information received from the smaller authority indicates that a £385 cheque which was previously an unrepresented cheque in 2018/19 but was never presented has been incorrectly included as an item of expenditure in Section 2, Box 6 of the prior year column. These items should have been netted off from the relevant expenditure. Box 6 for the current year should therefore read £29,480.
- Section 2, Box 6 in the prior year column of the AGAR has been completed incorrectly. Information received from the smaller authority confirms that this figure should read £2,889.
- Section 2, Box 2, the annual precept, does not agree to the figure published by the precepting authority. The figures in Boxes 2 and 3 should read £13,582 and £1,489 respectively. All grants, including Council Tax Support Grant, should be shown in Box 3, as per the guidance notes on the AGAR.
- Please note that Box 4 should comprise all payments made in relation to the employment of staff including only employment expenses which are benefits (mileage, travel, etc.) but not items of reimbursement of expenses for postage, stationery, work related training or other outlays made on behalf of the smaller authority. Section 2 Box 4 should read £6,083.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as amended by SI 2020/404 the Accounts and Audit (Coronavirus) (Amendment) Regulations 2020 as it failed to make proper provision during the year 2020/21 for the exercise of public rights, since the approval date was after the start of the period for the exercise of public rights. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2020/21 and ensure that it makes proper provision for the exercise of public rights during 2021/22.

The internal auditor is not independent of the financial decision making, management and control of the smaller authority and the smaller authority must disclose this by answering 'No' to Assertion 6 of the Annual Governance Statement on the 2020/21 AGAR. In future years, the smaller authority must maintain an independent system of internal audit of the accounting records and control systems.

The annual internal audit report focuses on a series of internal control objectives covering an authority's key financial and accounting systems and concludes whether, in all significant respects, the internal control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the authority. We note that the internal auditor has not provided a conclusion on the following internal control objectives: M. The annual internal audit report will inform the authority's response to assertions 2 and 6 in the annual governance statement. As a result, the authority must ensure that assurance that has not been provided via these control objectives has been sought elsewhere.

### 3 External auditor certificate 2019/20

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2020.
